

Peachtree High School Class of 1976

Last Updated: August 13, 2006

Our Classmate, **TIM LANSING**

My family and I live in Cary, NC, which is right next to Raleigh, and we've been here for 18 years. We love NC, with its proximity to the mountains and the beach. I have been a scientist (big surprise there, huh?) at GlaxoSmithKline for the past 18 years, and in those 18 years I have survived 2 mergers and countless other changes. I was involved in cancer drug discovery for 17 of those years, and I greatly enjoyed the challenge of working in an area where there is so much need and promise for new therapies for the future. I am currently working on biomarkers for diabetes, with the goal of trying to find early markers for response to treatment so that our clinical trials can be shorter and less expensive (sounds easy, but very hard to do).

I have been married for 21 years to Jeanne, who is an audiologist, and we have 2 children. Our daughter Amy is 16 and just got her driver's license (Lord, help me!). She loves running cross country and playing soccer. Our son Nick is 13 and is as laid back as Amy is intense. He loves football and basketball. It brought back a lot of memories to watch him play football for the first time last fall.

I had a great time at the reunion and look forward to attending others in the future. Many thanks to all who worked to put it together!

30th Reunion Memory CDROM

At long last it is completed. I still have to get it approved by the reunion committee, and then get 100+ copies duplicated, then we will send it out. Those of you who registered for the reunion will be receiving a copy of the PHS Class of 1976: 30th Reunion Memory CDROM by postal mail. The following items will be included on the CDROM:

- Address Directory (snail and e-mail)
- Classmate Slideshow
- Classmate Photos submitted prior (and post) to the reunion including family photos, etc.
- Candid Photos of the Friday night party.
- Remember When booklet of memories of high school (www.peachtreehigh.org/1976/remember) We did not get many of these, so there is not much there.
- Miscellaneous documents.

Those who did not register for the reunion may order your copy of the **Memory CDROM**. Send \$5 to the reunion committee using the reunion [Payment Form](#) to order!
